## MEET OUR HONOREES

### FRANCISCAN LEADERSHIP AWARD Mary McGoldrick

The Franciscan Leadership Award is given annually to an individual, business or organization. The award recipient embodies the values of the Sisters of St. Francis of Assisi, who were integral in the founding of the Cardinal Cushing Centers back in 1947. At present, the Cushing Centers continues to operate with their guidance and blessings. Franciscan

Leadership Award recipients actively build a stronger community in which they live or work by providing opportunities for those who are less fortunate. They demonstrate generosity, leadership by positive example, and mutuality towards all others.

We are honoring Mary McGoldrick for her outstanding support of our mission. Mary is a board and committee member, a supporter, and a volunteer extraordinaire, lending her time, talents, and expertise to assist our art program, within the Cushing MarketPlace, and even with our landscaping in our Hanover neighborhood. She is an integral part of the Cushing community.

The Richard Cardinal Cushing Award is given annually to an individual, business or organization. The award recipient provides consistent support for and/or advocacy on behalf of individuals with intellectual disabilities and their families. Cardinal Cushing Centers established this award in the name of our founder, Richard Cardinal Cushing. Richard Cardinal Cushing

Award recipients demonstrate humility, compassion, and dedication to enhancing the lives of individuals with intellectual disabilities.

Charlie Drea and Conway Insurance have a longstanding relationship with Cardinal Cushing Centers. Conway and the Drea Family support and champion every project and initiative, from our annual St. Patrick's Day Fundraiser, to the Opportunity Fund, and more. Their family-owned and operated company values community and philanthropy, and we are so honored to work with them.
