- ***Hikes:*** *We are still doing weekend hikes when the weather permits, if you’re interested please reach out and ask.*
- ***Basketball games:*** *I did not include Saturday basketball games at the Wolves Den due to occasional schedule changes. Tom McElman and the Rec department will send out emails regarding these games.*
- ***Jewelry Making Classes:*** *The Tuesday jewelry making classes are a new activity so we’ll be evaluating after our first week to see if we can open up space for other individuals.*
- ***Friday Night Free Movie:*** *Right now we’re leaning towards showing Gremlins (1984) as several of our folks have requested it. If you have a request please let me know. We should be announcing our February Movie in the next two weeks.*
- ***Availability:*** *I will be away February 15th-24th, 2025 so I’ve tried to schedule some events around this time. I can still be reached via email but I may not be able to respond quickly.*
