	(Movie tba soon) @ CCC Auditorium		

- ***Hikes:*** *We are still doing weekend hikes when the weather permits, if you're interested please reach out and ask. Thursday March 20th is the Spring Equinox/First day of Spring and I'd love to get out for an afternoon hike/walk if the weather permits.*
- ***Basketball games:*** *I did not include Saturday basketball games at the Wolves Den due to occasional schedule changes. Tom McElman and the Rec department will send out emails regarding these games.*
- ***Jewelry Making Classes:*** *The Tuesday jewelry making classes are a new activity so we'll be evaluating how they go, any feedback is welcome. If you have someone interested in being an alternate for when a space opens up please let me know*
- ***Friday Night Free Movie (3/28/25):*** *If you have a request please let me know. We should be announcing our March Movie in the next two weeks.*
- ***Paint Nights:*** *Hoping to start small paint nights/painting classes in March. Supplies are being ordered and when I know more I'll let people know. If you have anyone interested or have nights that would work best for your folks please reach out.*
- ***Spirituality Group:*** *Brenda Happnie has suggested we form a small spiritual/religious group where our people can gather to read verses/quotes that are important to us, discuss our different faiths and views. If any of your folks are interested please let me know. Once we've chosen a starting date I'll let you know when and where.*
