Paint Nights!: Paint Nights are starting in April!

1. Looking to keep group sizes down to 3-5 individuals.
2. Wednesdays and Thursdays appear to be our easiest days to hold them but we can do other weeknights or weekends if that fits people's schedules better.
3. Locations will be chosen to best fit the groups. We're hoping to be able to do most at the Café to make it central and easier for all involved.

4. If you have people interested please send me names and days/dates that work best and I'll announce groups for April.
5. We'll be using acrylics and will provide brushes, paints and canvases/boards.

- ***Hikes: We are still doing weekend hikes when the weather permits***
- ***Track and Field: Times and dates subject to change by the Rec Hall***
- ***Friday Night Free Movie (4/25/25): If you have a request please let me know. We should be announcing our April Movie in the next two weeks.***
- ***Spirituality Group: Brenda Happnie has suggested we form a small spiritual/religious group where our people can gather to read verses/quotes that are important to us, discuss our different faiths and views. If any of your folks are interested please let me know. Once we've chosen a starting date I'll let you know when and where.***
