Paint Nights!: Paint Nights have started!

1. We're keeping group sizes down to 3-5 individuals.
2. Our first night was Wednesday 4/23/25 @ the Unique Boutique. Three people joined us to paint and we left the paintings up for a few days so people coming into the marketplace could see them.
3. Locations will be chosen to best fit the groups. We're hoping to be able to do most at the Unique Boutique or the Café to make it central and easier for all involved but we may do some at your houses if that's easier.
4. If you have people interested please send me names and days/dates, we've already received some requests and we'll try to honor those first.
5. We'll be using acrylics and will provide brushes, paints and canvases/boards.

Other Activities/Ideas:

- **Hikes:** *We are still doing weekend hikes when the weather permits*
- **Track and Field and Volleyball:** *Times and dates subject to change by the Rec Hall*
- **Friday Night Free Movie (5/23/25):** *If you have a request please let me know. We should be announcing our May Movie in the next two weeks.*
- **Spirituality Group:** *Brenda Happnie has suggested we form a small spiritual/religious group where our people can gather to read verses/quotes that are important to us, discuss our*

different faiths and views. If any of your folks are interested please let me know. Once we've chosen a starting date I'll let you know when and where.

- *Planters/Gardens: Eleanor Arpino is working with us to start some planters/gardens at three of our houses using money donated by Alexis Reed who volunteers at the Cushing Marketplace and is a longtime friend of Bob and Sarah McKinnon. Bella Luna, Bella Nita and Washington Street were chosen to start and we met in April with staff and residents to tailor the plants to their wants and needs. There are other houses that have kept and maintained very successful gardens and we're hoping to be able to expand this program to help other houses start them too.*
