Paint Nights!: *Our next project started Tuesday 9/23/25! If you are interested in joining a paint night please let me know! With fall sports ending and winter sports starting we have Tuesday and Thursdays open for paint nights. If there's a need for a different day/night we can try to accommodate.*

Our current theme is "Trees". We'll be doing a portrait layout landscape concentrating on sky, grass and a lone tree. Artists will see a quick demonstration and then will be free to paint what and how they want. We'll be using primary colors again (Pthalo Blue, Magenta and Chrome Yellow) plus white.

1. Our first groups:
 - a. Tuesday 9/23/25 Highland Street
 - b. Thursday 11/6/25 Lawson Road
 - c. Thursday 11/13/25 Buttonwood
2. We will again try to keep groups to 3-5 people
3. Locations will be chosen to best fit the groups.
4. If you have people interested please send me names and days/dates, we've already received some requests and we'll try to honor those first
5. We'll be using acrylics and will provide brushes, paints and canvas boards.

Other Activities/Ideas:

- Jar Painting: With the help of SSI South we managed to paint ~60 jars that will be used for a Rockland Trust event Monday 11/3/25. There may still be a need for painted jars so if you have people that missed out and would like to take part please let me know.
- Friday Night Free Movie (12/19/25): For our December movie we'll be sharing the auditorium with Student Services. We'll be showing **The Muppet Christmas Carol (1992)** unless there's overwhelming support for a different movie. If you have ideas for January's movie night please let me know.
- Hikes: With the colder autumn/winter weather coming we're hoping to get some hikes going again. Please reach out if you have people interested.
- Christmas Tree Sales: Eleanor Arpino is once again looking for people to volunteer at the Garden Center to help sell Christmas trees. Many of our folks did this while they were living on campus as part of our Student Services program and may have fond memories of doing so. While this is a volunteer opportunity there is the chance of tips from happy customers. Eleanor also provides

free hot chocolate and a warm garden center for people to take a break and get out of the cold. Tree sales started Friday November 28th and run until the trees sell out.

- Hull Lifesaving Museum Festival of Trees: *Gathering with friends and family is a great way to kick off the holiday season! Share the joy and community that is the Hull Lifesaving Museum's festival of trees. On display throughout the museum will be over 20 Christmas trees, sponsored and beautifully decorated by local businesses and families, will be donated to Veterans and their loved ones to bring a touch of holiday magic. Come on down and vote for your favorite tree! \$10/person* **If there is enough interest we will put together a group outing. If you haven't been to the museum it's a beautiful drive there and a very interesting and unique museum tour for those interested.**

Saturday 12/13/25 – Sunday 12/20/25 10:00 am – 4:00 pm Hull Lifesaving Museum 1117 Nantasket Ave., Hull, MA
