## **Other Activities/Ideas:**

- Paint Night: Our next project started Tuesday 9/23/25. If you are interested in joining a paint night please let me know. We have Tuesday and Thursdays open for paint nights. If there's a need for a different day/night we can try to accommodate.
  - Our current theme is “Trees”. We’ll be doing a portrait layout landscape concentrating on sky, grass and a lone tree. Artists will see a quick demonstration and then will be free to paint what and how they want. We’ll be using primary colors again (Pthalo Blue, Magenta and Chrome Yellow) plus white.
  - We will again try to keep groups to 3-5 people
  - Locations will be chosen to best fit the groups.
  - If you have people interested please send me names and days/dates, we’ve already received some requests and we’ll try to honor those first
  - We’ll be using acrylics and will provide brushes, paints and canvas boards.
- Jar Painting: With the help of SSI South we managed to paint ~60 jars that were used for a Rockland Trust event Monday 11/3/25. There may still be a need for painted jars so if you have people that missed out and would like to take part please let me know.

- Crafts Group: Last year we tried out a jewelry making class Tuesday afternoons at the Cushing Café (2/4-3/25/25). People who joined us expressed an interest in a weekly/bi weekly crafts group. We're looking to find a day and time that works for the majority of those who wish to join us.
- Friday Night Free Movie (2/27/26): We're leaning towards showing The Princess Bride (1987), Zootopia 2 (2025), Superman (2025). If you have any suggestions or ideas they are more than welcome.
- Hikes: With the colder winter weather coming we're hoping to get some hikes going again. Please reach out if you have people interested.
- Concerts/Plays/etc.: If your house has interest in any local concerts or shows feel free to reach out and see if our rec department has access to free or discounted tickets. Last year several of our houses attended concerts at Laura's Center for the Arts (Hanover YMCA) and depending on the group size we were offered a slight discount on tickets. Shows resume at the LCA in February with Fortunate Sons: A Creedence Clearwater "Revival" Revival (Saturday 2/7/27 @7:00pm) and Chicago Total Access: A Chicago Tribute Band (Saturday 2/21/26 @7:00pm)

## **Upcoming Activities/Ideas:**

- NSRWA Estuary Explorers Program: We are moving forward with a partnership with the NSRWA (the North and South River Watershed Association <https://www.nsrwa.org/> ) through their Estuary Explorers Program. This will offer small groups of our folks access to coastal scavenger hunts, guided discovery tours, water salinity sampling, and kayak tours. All of these activities are weather permitting and the idea is to start with small groups of people who shown interest, assessing how these activities work for us and growing from there. Please reach out if you have people you feel are a good fit or express an interest in joining us.
- Documentary Film Nights: We're seeing if there's interest in having a science/art themed monthly/bimonthly Documentary Film Night. The idea stemmed from some of our folks having said they really like the relaxing and soothing meditative experience of watching nature documentaries in Imax or similar theaters.
