Other June Activities/News

Cedar Hill Retreat Center: This will be our 3rd year and 4th time visiting the retreat, with a 5th time scheduled for this September.

1. 346 Standish St., Duxbury, MA
2. Anyone from our Adult Community is welcome to join us. While it's easier for us if you RSVP and let us know when you'll be there (food, parking, etc.), people are welcome to pop in and say hi too.

Gardens: 6 of our 15 houses now have gardens/planters/raised beds or are in the process of getting them planted. Vegetables, herbs and flowers are available to our houses for free from the Greenhouse/Garden Center on campus while supplies last. Recently Washington Street was generously given a large raised bed/planter by Dylan O'Brien as part of his Eagle Scout project. June 2nd Dylan will be dropping off a second one for our Rec Hall and student services.

Pool Parties: We're anticipating the pool opening sometime in early June. Once it's open and the weather cooperates we'll start planning and having Adult Services pool parties again. Rec Hall should be announcing shortly what days/times our adults are welcome to use the pool during the week.
