New Programs Info:

Sing-Explore-Create

A fun music program where students sing, move, play rhythm games, and explore music while building confidence, communication, and social skills.

Sunshine Petting Farm

Students will interact with friendly farm animals, enjoy the outdoors, have a snack, and spend time in a calm, relaxing environment while building social and sensory skills.

Parent/Guardian Reminder

Please confirm your child's schedule with their House Manager, as **not all** students attend every program or trip.
