History

Cushing's commitment to individuals of all ages, all faiths, and all abilities is grounded in the founding values of Richard Cardinal Cushing and the Sisters of St. Francis of Assisi—who continue to guide Cushing and other corporate ministries to ensure that these values continue.

Sisters of St. Francis of Assisi

Mission

Cardinal Cushing Centers is a place where people of all ages and abilities find possibility, opportunity, and hope.

Vision

Cardinal Cushing Centers is a caring intergenerational community where people live full and meaningful lives at home, at work, at school and at play. Individuals with intellectual disabilities are an integral part of our community and are provided supports to achieve independence and fulfilling relationships, while honoring the founding values of the Sisters of St. Francis of Assisi and Richard Cardinal Cushing—whose extraordinary vision encompasses all people, all faiths and all abilities.

Values

Community: We respect the strengths of each person, fostering caring relationships, kindness, and friendship.

Creativity: We encourage independent thinking, learning and initiatives where solutions and approaches can be different than the current ones.

Stewardship: We collectively are responsible to oversee and improve the performance of our organization to ensure longevity for future generations.

Accountability: We accept personal responsibility to efficiently use organizational resources, improve our services and systems and help others improve their effectiveness.

Who We Are

- **Academic Day Programs:** a typical school-day schedule including academics, music, art, recreation, counseling, behavior supports, nursing, and therapies.
- **Residential Programs:** in addition to the school day, optional living in the Cushing neighborhood learning independent living, hygiene, health and wellness, cooking, and laundry skills - plus after-school community outings.
- **Transitional and Vocational Services:** Students ages 18-22 focus on vocational skills in various fields - to prepare for adulthood and future employment.
- **Recreational Programs and Special Olympics (all ages):** Cushing Recreation Department offers sports, Special Olympics, summer camps, pool access, field trips, games and more.
- **School District Add-On Programs:** Students enrolled at other schools can receive evaluation & consulting services and enjoy Cushing's Vacation Exploration camps, Special Olympics, and "Learn-a-Skill" job trainings.

Adult Services (22+)

- **Day Programs:** Located in both Hanover and Braintree, Life Opportunities Unlimited (LOU) is a therapeutic day program focused on independent living and good health, and South Shore Industries (SSI) is a vocational program teaching skills that could lead to opportunities in the workforce and the community.
- **Residential Programs:** With 15 group homes across the South Shore, as well as programs available in family-member's homes, adults in the Residential Care program learn functional, social and recreational skills while receiving support from adult caregivers (including Adult Family Care, Shared Living Programs).

THE MarketPlace

at Cardinal Cushing Centers

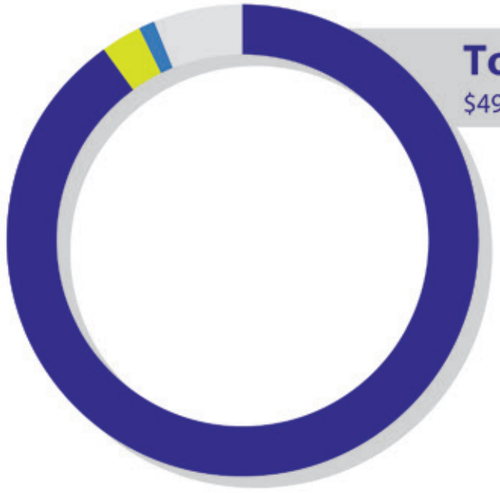

Built in 2020, the MarketPlace is a 20,000 sf building comprised of classrooms and open-to-the-public retail shops – providing pre-vocational learning opportunities for students, and employment opportunities for adults. These shops fulfil part of Cushing's strategic vision: to blend Cushing participants with people in the greater community, and to properly train students and adults for future employment.
